

Back Bar Coolers

Features

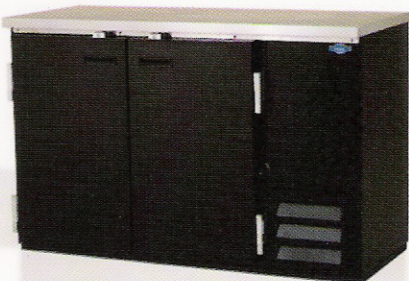

- Black Pre-painted steel exterior. Stainless Steel counter top allows for food and drink handling. White pre-painted steel interior offers ample storage space for refrigerated bar products.
- Self closing doors with heavy-duty chrome hinges.
- Incandescent interior light.
- Adjustable white epoxy coated steel wire shelves.
- Forced air refrigeration system. Permits "rapid pull down" and balanced temperature throughout the cabinet interior.
- Extra dense foamed-in-place polyurethane insulation. Provides solid structure and low energy consumption.
- CFC free, with R-134a refrigerant to protect the ozono layer.
