

Draft Beer Dispensers

Features

- Black pre-painted steel exterior. Stainless Steel counter top and interior floor for more durability. Galvanized steel interior offers ample storage space for beer kegs.
- Overflow drain located on counter top.
- Self closing doors with heavy-duty chrome hinges.
- Incandescent interior light.
- Forced air refrigeration system. Permits "rapid pull-down" and balanced temperature throughout the cabinet interior.
- Extra dense foamed-in-place polyurethane insulation. Provides solid structure and low energy consumption.
- CFC free, with R-134a refrigerant to protect the ozone layer.
